

VCheck Billing Invoices

Virginia Firearms Transaction Center bills are generated on the first day of each month, and capture all activity of the previous month.

Billing invoices and payment history is available on VCheck. You may view current and past invoices at any time.

The remittance page is available online and may be printed and mailed with payment. The due date is always the last day of the month in which the bill is posted. An online payment option is forthcoming.

Please contact the Firearms Transaction Center to authorize us to discontinue printing and mailing a copy of your bill. Authorization may be provided at the below address:
