Virginia's Instant Criminal Background Check (VCheck) is available to all licensed firearms dealers registered with the State Police Firearms Transaction Center

VCheck provides Virginia firearms dealers with easy Internet access to the State Police's firearms transaction system. Approval numbers are generated in instant clearances, while transactions that require review or research are routed to the Firearms Transaction Center for processing.

Registration is as easy as:

- 1 Complete the attached form.
- 2 Fax or mail the completed form to the FTC Help Desk.
- 3 A member of the FTC will contact you by telephone to provide User ID and Password authorization.
